

The image shows the PosterGenius software interface with various components labeled by numbers 1 through 29. The interface includes a menu bar (File, Edit, Insert, View, Help), a toolbar with icons for file operations and editing, and a main workspace displaying a poster layout. The poster is titled "Philosophiae Naturalis Principia Mathematica" and includes sections for Introduction, Objectives, Results and Discussion, and Conclusions. A table of data is visible in the Results and Discussion section. The interface also features a left sidebar for navigation, a bottom status bar, and a right sidebar for view options.

Numbered callouts identify the following features:

- 1: Active Poster
- 2: New poster from wizard
- 3: Delete Section
- 4: Perspectives Workspace layouts
- 5: Restore selected perspective
- 6: Refresh poster
- 7: Typography palette
- 8: Poster dimensions
- 9: Number of columns
- 10: Poster Optimizer (Increase/decrease surface covered by content)
- 11: Normal poster view
- 12: Printout for Distribution view
- 13: Content QuickReview
- 14: Poster view
- 15: Text formatting
- 16: Insert image from file
- 17: Paste
- 18: Optimal distance to read
- 19: Number of pages
- 20: Selected section content
- 21: Gallery of images
- 22: Advanced section settings
- 23: Selected section title
- 24: Open previous posters
- 25: Library of Templates
- 26: Active Poster Content
- 27: Poster sections
- 28: Selected poster section
- 29: Poster title, authors and affiliations

The screenshot shows the 'Gallery images' application window. The interface is divided into several sections:

- Top Bar:** Contains icons for 'Insert image from file' (1), 'Delete image' (2), 'Paste image' (3), 'Refresh Gallery' (4), and 'Available Gallery layouts' (5).
- Image Gallery:** A central area showing a grid of images. One image is highlighted as the 'Selected image' (21). Other images in the gallery are labeled (20).
- Image Caption\* (19):** A text field for the selected image's caption, containing placeholder text: "Excepteur sint occaecat cupidatat non proident, sunt in culpa qui officia deserunt mollit anim id est laborum."
- Gallery caption\* (18):** A larger text field for the entire gallery's caption.
- Properties Panel (Right):**
  - Apply changes to gallery (6):** A checkbox.
  - Image Optimizer (7):** A section for adjusting image size, including an 'Optimal size' button and percentage buttons (25%, 50%, 75%, 100%), 'Decrease 5%', and 'Increase 5%'.
  - Size (9):** Input fields for 'Width: 20,20 cm' and 'Height: 16,80 cm'.
  - Scaling (10):** Input fields for 'Width: 134 %' and 'Height: 134 %'.
  - Keep aspect ratio (11):** A checked checkbox.
  - Scale to fit (11):** An unchecked checkbox.
  - Original image size (12):** A box showing 'Width: 15.00 cm' and 'Height: 12.50 cm'.
  - Reset to original image size (12):** A button.
  - Alignment (13):** Radio buttons for 'Left', 'Center' (selected), and 'Right'.
- Buttons:** 'Apply' (15) and 'Close' (14) buttons are at the bottom right.
- Footer:** A 'Hide properties' link (17) and a note about text formatting (16) are at the bottom left.
